

Fund aim

The Fund aims to deliver a total return (the combination of income and capital growth) equal to the Consumer Price Index plus 3% per annum net of fees over rolling six year periods.

Investment style

The Fund adopts a multi-asset approach with a long-term focus investing in equities, bonds and alternative asset classes. The portfolio of between 35 to 70 holdings will have both UK and global exposure with no particular emphasis on any industry, market or geographic sector. The Fund has an ethical investment policy that restricts investments in gambling, tobacco, controversial weapons and adult entertainment (against specific thresholds).
