Risk warning: Past performance is no guide to future performance. The value of holdings may fall as well as rise. All financial investments involve an element of risk. Clients should note that yields on investments may fall or rise dependent on the performance of the underlying investment and more specifically the performance of financial markets. As such, no warranty can be given that the expressed yields will consistently attain such levels over any given period. Currency movements may also affect the value of the investment. If the currency in which the past performance is displayed differs from the currency of the country in which you reside, then you should be aware that due to exchange rate fluctuations the performance shown may increase or decrease if converted into your local currency.
