Terms and Conditions

Introduction

Welcome to W1M Wealth Management Limited (“W1M”, “we” or “us”). These Terms and Conditions (the “Terms”) form part of your Client Agreement with us and are important as they contain legally binding obligations on you and us. As a client of W1M, you (“Client”) should:

- read these Terms carefully before signing the declaration in the Client Questionnaire;
- understand that you are entering into certain commitments and accepting certain responsibilities; and
- understand the scope of, and risks associated with, W1M’s services.

Together, W1M and the Client are referred to in these Terms as the “Parties”.

If you have any questions relating to W1M, the Services provided or these Terms generally, please contact your portfolio manager at W1M or your Financial Adviser.

1. About W1M

- 1.1. W1M Wealth Management Limited is authorised and regulated by the Financial Conduct Authority (“FCA”) under a firm reference number 120776. The FCA can be contacted at 12 Endeavour Square, London, E20 1JN or via their website www.fca.gov.uk or phone (0800 111 6768).
- 1.2. W1M’s registered office is at 16 Babmaes Street, London, SW1Y 6AH.

2. Appointment and Commencement of the Services

- 2.1 The Client hereby appoints W1M to provide it with the Services, in accordance with the Client Agreement.
- 2.2 The Client acknowledges and agrees that the appointment will commence on the date on which the Client completes the Client Questionnaire.

- 2.3 Nothing in Clause 2.2 affects any right of cancellation or withdrawal which may apply to products or services provided to the Client.

3. Client Agreement

- 3.1 These Terms (including all Schedules herein) form part of the Client Agreement between the Client and W1M.
- 3.2 Each of the Parties agrees that in entering into the Client Agreement, it does not rely on, and shall have no remedy in respect of, any statement, representation, warranty or understanding (whether negligently or innocently made) of any person (whether party to the Client Agreement or not) other than as expressly set out in the Client Agreement. Nothing in this Clause shall, however, operate to limit or exclude any liability for fraud.

4. Client Classification

- 4.1 W1M will provide the Services on the basis that the Client is a Professional Client as defined in and for the purposes of the FCA Rules. The Client shall notify W1M as soon as possible if, at any point, the Client ceases to fall within such definition. The Client has the right to request a different classification to benefit from a higher level of protection, e.g. from a Professional Client to a Retail Client. Such requests must be made in writing on the initiative of the Client. W1M will consider any requests received on a case-by-case basis against the criteria set out in the FCA Rules but is not obliged to agree to such a request and may decline to act. W1M may decline to manage the Portfolio or provide any other Services, should the Client request such different client classification.
- 4.2 The Client acknowledges and agrees that as a Professional Client, the Parties have the right to agree to a more limited application of certain specific requirements under the Applicable Regulations. The Client hereby agrees that W1M may, where permitted by the Applicable Regulations, provide information in a less detailed, different or more limited form than that to which the Client might otherwise be entitled.

4.3 The Client acknowledges and agrees that as a consequence of being categorised as a Professional Client, the Client will not receive all the protections afforded to Retail Clients under the FCA rules. The following protections may be limited:

- (a) the Client may not have access, or have limited access, to the Financial Ombudsman Scheme (which generally applies to Retail Clients, small business and small charities and trusts);
- (b) the Client may not have access to the Financial Services Compensation Scheme (which generally applies to individuals and small companies);
- (c) when executing orders within the Services provided to the Client, W1M may owe a duty to the Client to take all sufficient steps to obtain the best possible result taking into account various execution factors. The Client acknowledges and agrees that W1M is not required to prioritise the overall costs of the transaction as being the most important factor in achieving best execution;
- (d) W1M will only inform the Client about any material difficulty relating to the proper carrying out of orders where W1M believes that best execution has not been delivered to the Client;
- (e) depending on the services in question, information to Professional Clients about costs and charges may not be as comprehensive as information to Retail Clients;
- (f) W1M is not required to provide the Client the same reporting information as may be required for a Retail Client.

4.4 Unless otherwise expressly agreed by W1M in writing, the Client agrees that no other person (whether disclosed to W1M or not) will be W1M's client or have any rights under these Terms.

4.5 Where W1M has categorised the Client as a Per Se Professional Client (as defined by the FCA Rules), W1M is entitled to assume that the Client has the requisite knowledge and experience in the relevant investment field. If the Client does not consider this to be the case, the Client must make W1M aware of this prior to the provision of any discretionary investment management services and provide W1M with any available information as to the level of the Client's knowledge and experience. W1M will then rely

on the information that the Client has supplied to W1M.

4.6 Where W1M has categorised the client as an Elective Professional Client (as defined by the FCA Rules), W1M will undertake an assessment of the Client's knowledge and experience, on the basis of all information provided whether the Client is capable of making its own investment decisions and understands the risks involved and can bear any related investment risks consistent with the Client's investment objectives. W1M reserves their position to ask the Client for further information or to re-categorise the Client if they fail to meet the criteria as an Elective Professional Client. W1M will give the Client a clear warning of the protections and compensation rights they may lose and the Client must have stated in writing that they are aware of the consequences of losing such protections.

5. Scope of Services

5.1 W1M will provide the Client with discretionary investment management services. In providing these Services, W1M shall have complete discretion, power and authority to manage the Client's Portfolio as agent of the Client (and without prior reference to the Client). This includes making investment decisions and effecting transactions, based on the investment mandate as agreed between W1M and the Client within the Client Questionnaire.

5.2 W1M may also provide additional products and services, as agreed between W1M and the Client.

5.3 The Client, or the Client's duly authorised agent, may notify W1M in writing of any guidelines, restrictions and Instructions with respect to a Portfolio which is being managed in W1M's discretion. Where such written notice and Instructions have been received and acknowledged in writing by W1M, W1M will use reasonable endeavours to apply these guidelines, restrictions or Instructions to the Portfolio. The Client acknowledges that such restrictions shall not be deemed to be breached by subsequent variations in the value or price of any investment(s) or other asset(s) comprised in the Portfolio. W1M reserves the right to not apply any restrictions when acquiring packaged products, funds or eligible mutual funds for the Portfolio which are themselves invested in securities or shares which, if directly purchased, may breach restrictions agreed.

5.4 Except as set out in (i) Schedule 2; (ii) the investment mandate advised by W1M and confirmed by the Client within the Client Questionnaire; (iii) the clauses within this section, there are no restrictions on:

- (a) the type(s) of investment(s) or asset(s) which may be acquired by the Portfolio; or
- (b) the amount of any one type of investment or asset which may be acquired for the Portfolio; or
- (c) the proportion of the Portfolio which any one or type of investment or asset may constitute.

5.5 W1M will seek to achieve the investment objective as required by the Client, including with regard to the investment mandate advised by W1M and confirmed by the Client within the Client Questionnaire, but there is no guarantee it will be achieved.

5.6 W1M will not supplement the funds in the Portfolio by borrowing or overspending on the Client's behalf and will have no authority to underwrite any issue or offer for sale of investments.

5.7 Based on the investment mandate advised by W1M and confirmed by the Client in the Client Questionnaire, W1M will establish an appropriate method of performance evaluation and comparison to enable the Client to assess W1M's performance as the discretionary investment manager. W1M hereby notifies the Client that this shall be in reference to the long-term target and composite index of the Client's selected investment mandate as specified in the Guide to Investment Mandates.

5.8 In providing the discretionary management service, W1M will take into account the tax position of the Client; however, this may not be the overriding factor that determines W1M's investment decisions. Investment decisions will be made at W1M's sole discretion. As W1M does not provide tax advice the Client should consult their tax adviser regarding the implications of investing with respect to their overall tax position.

6. Financial Advisers

6.1 This section is only applicable where (i) the Client has appointed a duly authorised Financial Adviser; and (ii) W1M and the appointed Financial Adviser have entered into a separate legal agreement that establishes a 'Reliance on

Others' relationship, as permitted by the FCA Rules. For the avoidance of doubt, where W1M and the Client's Financial Adviser do not have such a legal agreement and relationship in place, W1M will undertake the suitability assessment.

6.2 Subject to the Client Agreement, W1M may accept Clients that are introduced to it by Financial Advisers. Where a Client is introduced by a Financial Adviser, the Client acknowledges that unless otherwise agreed with W1M, W1M will not provide or undertake (and nor does W1M have any responsibility to provide or undertake) any of the following:

- (a) investment advice or tax advice;
- (b) making recommendations to the Client; or
- (c) assessments of suitability other than to ensure that decisions to trade within the Portfolio are consistent with the Client's chosen investment strategy or investment restrictions.

6.3 The Financial Adviser will remain responsible at all times for ensuring that the investment recommendations made remain suitable for the Client. W1M will place reliance on this assessment by the Financial Adviser as permitted by the FCA Rules. W1M will communicate with the Client's appointed Financial Adviser in certain cases on behalf of the Client. This may occur in cases such as, but not limited to, confirming the investment mandate chosen for the Client, obtaining appropriate identification and address verification evidence as required under Applicable Regulations and clarifying information previously provided to W1M.

6.4 Under these arrangements, W1M is responsible for managing the Client's Portfolio on a discretionary basis as noted in Clause 5 above. W1M remains responsible for ensuring Portfolios are managed in accordance with the investment objectives and risk profile as selected by the Client in the Client Questionnaire.

6.5 The Client confirms that any reports W1M provides to the Client may also be disclosed to the Client's chosen Financial Adviser unless otherwise instructed in writing.

6.6 Notwithstanding the provisions in this Clause 6, W1M reserves the right to contact the Client for any purpose in connection with the Client Agreement to enable W1M to comply with the Applicable Regulations and to ensure the

performance of its obligations under the Client Agreement. By contacting the Client, W1M does not accept a transfer of, or undertake responsibility for the suitability obligations owed by the Financial Adviser.

- 6.7 The Client hereby acknowledges and agrees that W1M is authorised to accept Instructions regarding the management of the Client's investments from the Client's appointed Financial Adviser. The Client confirms that any Instructions received by W1M from the Financial Adviser shall be deemed to have been authorised by the Client, and W1M shall not be liable for any actions taken in good faith reliance on such Instructions.
- 6.8 The Client has the right to cancel the service provided by their appointed Financial Adviser by contacting their Financial Adviser. The Client should notify W1M immediately in the event of a termination of the Client's relationship with their Financial Adviser. Upon a Client terminating their ongoing relationship with their Financial Adviser, this Clause 6 will cease to apply and the Client should ensure they provide W1M with complete and accurate information about their circumstances. This must include but is not limited to the information set out in Clause 6.4 above.
- 6.9 W1M will not be liable for any losses incurred by the Client due to any advice or instructions given to the Client by their appointed Financial Adviser and does not accept any liability or responsibility for ensuring that the investment mandate is suitable for the Client based on their personal circumstances.

7. Dealing

- 7.1 When executing orders within the Services provided to the Client, W1M acknowledges it owes a duty to the Client to take sufficient steps to obtain the best possible result taking into account various execution factors.
- 7.2 When executing Client orders, W1M shall comply with W1M's Order Execution Policy unless (and to the extent that) W1M acts on the Client's specific Instructions. The Client hereby acknowledges and agrees that W1M will satisfy its obligations in this regard by adhering to its Order Execution Policy, a copy of which is available on W1M's website at www.w1m.com. By entering into the Client Agreement, the Client hereby confirms that they have read, understood and agree to W1M's Order

Execution Policy. In particular, the Client agrees that W1M may pass orders to brokers who may trade outside of a regulated market or Multilateral Trading Facility or Organised Trading Facility (in each case as defined in the FCA Rules) in accordance with the Order Execution Policy.

- 7.3 The Client acknowledges and agrees that W1M may from time to time make amendments to the Order Execution Policy. W1M will notify the Client of any material changes to the Order Execution Policy, but it is the Client's responsibility to check for any other changes to that policy as published from time to time on W1M's website. Subject to the FCA Rules and without prior reference to the Client, W1M may aggregate transactions for the Portfolio with those of other clients of W1M and shall allocate such transactions in accordance with the FCA Rules and any other Applicable Regulations and without giving unfair preference. The effect of aggregation and allocation may work on some occasions to the disadvantage of the Client.
- 7.4 To the extent that W1M places a limit order on behalf of the Client that is not immediately executed, the Client expressly consents that W1M will not publish the unexecuted order during the period that it remains unexecuted unless W1M believes that it would be in the Client's best interest to do so, or the Client expressly requests otherwise in writing.
- 7.5 Where required by Applicable Regulations, W1M may be obliged to perform trade and transaction reporting obligations. W1M will comply with its obligations under Applicable Regulations in relation to transactions executed with the Client or on the Client's behalf. To enable W1M to comply with its obligations, the Client agrees to promptly deliver any information that W1M may request from time to time to enable W1M to complete and submit reports. In some instances, W1M may not be able to trade for the Client without this information.
- 7.6 Where required by Applicable Regulations, W1M will inform the Client of any material difficulty relevant to the proper carrying out of its duties under this Clause 7. W1M will use its reasonable endeavours to make any notification under this Clause promptly after becoming aware of the difficulty.

8. Voting and Other Rights

- 8.1 W1M will be entitled at its discretion and without notice to the Client to procure or to refrain from procuring the exercise of voting and other rights and privileges attaching to the investments comprised in the Portfolio. W1M will not forward to the Client any circulars, notices or proxy cards received in respect of investments comprised in the Portfolio.
- 8.2 W1M shall be entitled to procure the exercise of any voting rights attaching to the Portfolio's holding of a Connected Fund, and shall be entitled to count such holdings for the purposes of constituting a quorum at a general meeting of any Connected Fund. W1M shall seek to act in the best interests of the Client at all times.
- 8.3 Subject to any relevant Custodian policy, W1M will make such arrangements as it considers to be fair and reasonable with regard to fractional entitlements arising under corporate actions. No fractions of whole shares shall be allocated to the Portfolio.

9. Fees and Payments by the Client

- 9.1 The Client agrees to pay fees and other charges to W1M for the services set out in these Terms which shall be calculated in accordance with the Fee Schedule (or as otherwise agreed with the Client).
- 9.2 Fees and other charges which are payable by the Client under the Client Agreement will be deducted from the Client's Portfolio quarterly and the Client authorises W1M to make such deduction. If the Client does not have enough cash in its Portfolio, W1M will instruct the sale of any securities in the Portfolio to meet these fees and charges.
- 9.3 W1M may change the calculation methodology or how frequently the fee is debited from the Portfolio by giving the Client thirty (30) days' prior written notice in accordance with Clause 28.
- 9.4 The Client shall reimburse W1M for any expenses or liability which it may incur in properly carrying out its duties under the Client Agreement.
- 9.5 Certain administrative charges in the management and servicing of the Portfolio may apply, such as costs incurred in relation to asset transfers, portfolio closures and expedited or international cash payments made by the Third Party Custodian, which will be payable by the Client as set out in the Fee Schedule.

- 9.6 In certain circumstances, W1M may agree with the Client that it will send the Client an invoice for fees and other charges due, instead of deducting these from the Portfolio. The Client must pay any invoice that W1M sends to the Client within seven (7) calendar days of the date of the invoice.
- 9.7 Where the Client has appointed a Financial Adviser, W1M will facilitate payments from the Portfolio to the Client's appointed Financial Adviser for adviser charges (where permissible) in accordance with Applicable Regulations and as advised by the Client through receipt of written instructions stating both the amount of the payment and the intended recipient. Such payments will be deducted from the Portfolio. Where ongoing adviser charges are instructed, W1M will continue to pay these until such time as the Client or their Financial Adviser informs W1M in writing that they are to be cancelled.

10. Non-Discretionary Services

- 10.1 W1M may provide non-discretionary services to the Client on certain assets or holdings in accordance with Instructions from the Client without providing wealth planning advice or personal recommendations.
- 10.2 W1M does not need to accept these Instructions and can decline to provide non-discretionary services in its sole discretion.
- 10.3 In the event that the Client requests that W1M holds a specific asset, stock or other holding, then W1M shall mark such asset, stock or other holding as being held at the Client's request and shall have no liability and/or obligation in respect of such asset, stock or other holding.
- 10.4 If W1M executes or arranges a transaction for the Client on a non-discretionary basis, the Client agrees that W1M is not obliged to ensure such transaction is suitable for the Client.
- 10.5 If W1M executes or arranges a transaction for the Client on a non-discretionary basis, W1M will only assess the appropriateness of this transaction for the Client if the transaction is in a complex instrument. If W1M considers that a non-discretionary transaction is not appropriate for the Client, W1M will warn the Client about this. If, despite the warning, the Client asks W1M to proceed with the non-discretionary transaction, the Client shall be solely responsible for that decision and W1M shall have no liability in respect of it. The provisions of this clause shall be without prejudice to W1M's right to refuse to

execute the Instruction where it is not in the best interest of the Client and/or permitted under the Applicable Regulations. W1M shall not be obliged to explain the reason for refusing to accept any Instructions.

- 10.6 When acting on a non-discretionary basis, W1M is able to receive and transmit orders for execution from a Client. Following the receipt of such an order, W1M will not seek further Instructions from the Client, either before or after effecting the transaction. The Client acknowledges that in following any such execution only Instructions, W1M does not need to adhere to its Order Execution Policy and it may not be possible for W1M to achieve the best possible results for the Client in relation to the execution of the transaction.
- 10.7 All Instructions to deal will be carried out on a best endeavours basis during W1M's normal dealing hours. The Client acknowledges and accepts that:
- (a) the market price of any order placed by the Client in response to and within the timescales given for acceptance may have moved in the time between W1M giving the Client the price and the execution of the Client's order. Such movement may not be in the Client's favour; and
 - (b) there may be a delay in the execution because orders are executed by reference to time of receipt. Where the relevant exchange is closed, W1M will present the Client's order for execution when the exchange next re-opens or, where a large number of orders have been received while the market is closed, as soon as reasonably practicable after it re-opens. W1M will inform the Client about any material difficulty relevant to the proper carrying out of orders promptly on becoming aware of the difficulty.
- 10.8 W1M will not execute Instructions requiring additional funds until such funds are received by and cleared as cash for settlement of trades.
- 10.9 Where the Client requests W1M to hold a specific asset on a non-discretionary basis in accordance with this Clause 10, W1M will not provide the Client with information about voting rights or potential corporate actions. W1M is not bound to exercise either voting rights or corporate actions on behalf of these holdings. If agreed between W1M and the Client in writing, W1M may provide the Client

with information about voting rights or potential corporate actions and where the Client provides Instructions in good time, seek to implement those Instructions. W1M may, at its sole discretion, exercise voting rights or corporate actions notwithstanding that it has not received Instructions from the Client on these holdings and will seek to act in accordance with the best interests of the Client.

The Client agrees that if W1M provides Services to the Client under this Clause 10, W1M will charge a fee for non-discretionary services and the Client will be provided with an updated Fee Schedule.

11. Anti-Money Laundering

- 11.1 W1M is obliged to put in place certain safeguards to ensure that its service is not used for criminal purposes. By entering into the Client Agreement, the Client agrees to W1M carrying out the following checks:
- (a) W1M is required by statute to obtain certain evidence of identity and address from the Client. This may involve checking the Client's name and address electronically through a reference agency; and
 - (b) in the case of a Client being a trust or corporate entity, W1M is required by statute to verify and confirm the identification of all relevant parties to such Client, including but not limited to, beneficiaries, settlors, trustees, directors and shareholders.
- 11.2 W1M reserves the right not to supply its services unless and until it is satisfied that all such requirements have been and continue to be complied with. W1M further reserves the right to withdraw its services and terminate the Client Agreement without explanation if W1M believes or has reason to believe that its services may be or have been used for any illegal purposes.

- 11.3 W1M reserves the right to restrict payments to, or receive payments from, Clients where:
- (a) W1M believes or has reason to believe that its services may be, have been, or will be used for any illegal purposes; and
 - (b) the Client is not providing W1M with complete and accurate information as required under the Applicable Regulations.

12. Conflicts of Interest

- 12.1 The Client should take into account that W1M may have a conflict of interest or a material interest (and W1M's Associates may have a conflict of interest or a material interest) in relation to W1M's services to the Client as set out in W1M's Conflicts Policy, which is available on W1M's website, www.w1m.com. The Client hereby acknowledges and consents to the provisions of the Conflicts Policy in the form provided on the W1M website.

13. Custodial Services

W1M Appointed Third Party Custodian

- 13.1 By accepting the Client Agreement, and unless Clauses 13.7 and 13.8 apply, the Client authorises W1M to appoint a Third Party Custodian, as their agent, to provide custody for their investments. W1M will exercise all due skill, care and diligence in the selection, appointment and periodic review of the Third Party Custodian in accordance with its regulatory obligations. Subject to Clauses 13.7 and 13.8, the Client's acceptance of the Client Agreement will constitute acceptance of the Custody Terms.
- 13.2 The Third Party Custodian is responsible for the custody of the investments in the Client's Portfolio and will provide those services in accordance with the applicable Custody Terms as specified in Clause 13.5 below.
- 13.3 The Client authorises W1M to provide information to the Third Party Custodian from time to time regarding the Client and their Portfolio.
- 13.4 The Third Party Custodian will register assets in the Client's Portfolio in accordance with FCA Rules and the Custody Terms. The Client will remain the beneficial owner of their investments.
- 13.5 The Custody Terms that will apply to the Client's Portfolio's investments will depend on

where the Client's Portfolio's assets are held in custody. If the Client's Portfolio's assets are held in custody in the United Kingdom, the Custody Terms set out in Schedule 5 (*UK Custody Terms*) will apply to the Third Party Custodian's services to them. If the Client's Portfolio's assets are held in custody outside of the United Kingdom, the Custody Terms set out in Schedule 6 (*Offshore Custody Terms*) will apply to the Third Party Custodian's services to them.

- 13.6 Subject to Applicable Regulations, W1M may provide the Client thirty (30) days' prior notice of any change to the Third Party Custodian and provide the client updated custody terms, where applicable.

Client Appointed Custodian

- 13.7 The Client may decide to appoint a Custodian as agreed with and recommended by W1M in accordance with W1M's wealth planning advice. In these circumstances the Client must provide such information as we may reasonably request, and do so in a timely manner. Failure to provide any information that W1M may reasonably request may delay the appointment of the Client's preferred Custodian. W1M shall not be liable for any losses incurred by the Client due to such a delay. Where the Client appoints a Custodian under this Clause 13.7, references to "Third Party Custodian" in Clauses 13.3 and 13.4 shall be understood to mean the Custodian appointed under this Clause 13.7.
- 13.8 Where the Client appoints their own Custodian, they will be responsible for the selection and appointment of that Custodian and ensuring that the Custodian maintains the required regulatory approvals. W1M shall have no duty to exercise due skill, care and diligence in the selection, appointment and review of the Client's appointed Custodian.
- 13.9 W1M is not liable for the acts or omissions of any Custodian or Third Party Custodian.

14. Client Reporting

- 14.1 W1M will prepare and send to the Client reports of the Portfolio incorporating an up-to-date valuation of each investment comprised in the Portfolio together with any additional information required to be disclosed to the Client under the FCA Rules and Applicable Regulations. Reports shall be provided to the Client at least quarterly (subject to Applicable

Regulations) or as agreed between W1M and the Client from time to time. The Firm reserves the right to charge a fee for any additional reporting services provided to the Client.

- 14.2 These reports will be provided to the Client using an applicable W1M digital platform (or as otherwise agreed between W1M and the Client).
- 14.3 W1M accepts no liability for its failure to prepare and deliver any review of a Portfolio which arises as a result of any act or omission of any third party.
- 14.4 Where the Client has an appointed Financial Adviser such that Clause 6 applies, and unless notified to W1M otherwise in writing, W1M will share these reports with the appointed Financial Adviser through an appropriate durable medium.

15. Administration

- 15.1 Where W1M carries out a transaction for the Client:
- (a) the Client will be able to access information on each transaction which is made available through an applicable W1M digital platform, no later than one business day following the execution of that transaction; and
 - (b) any confirmation the Client receives will be deemed correct, conclusive and binding on the Client if not objected to in writing by the Client within five (5) business days, or if W1M notifies the Client of an error therein within the same time period.
- 15.2 As agreed between W1M and the Client, W1M will forward details of all transactions on Client's behalf to the Client's Financial Adviser and/or tax adviser.
- 15.3 The Client may (upon giving reasonable notice) inspect all details of executed transactions, vouchers and copies of entries in books or electronic recording media kept by W1M or to which W1M has access relating to the transactions effected by W1M on the Client's behalf. Those records will be maintained by W1M, or W1M will ensure that they are maintained, for not less than five years from the date of the relevant transaction.

16. Notices and Communications

- 16.1 In the interests of proper administration of the Portfolio and for related investment purposes the Client agrees that W1M, its representatives or employees, may communicate an unsolicited real time financial promotion to the Client. The language of all communications between W1M and the Client shall be English, and the Client will receive documents and other information from W1M in English. W1M's website at www.w1m.com contains further details about W1M and its services, and other information relevant to these Terms. In the event of any conflict between the terms of these Terms and those terms on W1M's website, the terms on the website will prevail.
- 16.2 The Client acknowledges and consents to W1M recording all telephone conversations (including, via electronic communication tools) between W1M and the Client and storing and retaining such recording as it sees fit, or where required by Applicable Regulations. The Client has the right to request a copy of such records. W1M shall provide such records where required by Applicable Regulations and where such records are available. W1M may decline to provide such records if, in W1M's reasonable opinion, provision of such records would result in:
- (a) a contravention of any Applicable Regulations, laws or business-as-usual practices; or
 - (b) the prejudice of any investigation or court proceedings.
- 16.3 W1M and the Client may communicate and give and receive Instructions by written, electronic and telephone instruction, unless otherwise requested by the Client in writing and in any format prescribed by Applicable Regulations. Should the Client provide an email address to W1M, the Client agrees that such email address shall be used to receive any notices and communication under the Client Agreement.

17. Delegation and use of Agents

- 17.1 The Client acknowledges that W1M may from time to time:
- (a) delegate any or all of its discretionary investment management and/or ancillary functions, to third parties (including Associates) and may provide information about a Client and their Portfolios to any such person to whom such activities have been delegated; and
 - (b) use other agents (including Associates) to perform any administrative, dealing, broking or ancillary services required to enable W1M to perform its services under these Terms.
- 17.2 W1M's liability to the Client for all delegated matters shall not be affected by W1M delegating any of its functions. W1M will act in good faith and with reasonable skill and care in the selection, use and monitoring of delegates and agents.

18. Termination

- 18.1 The Client Agreement, including these Terms, may be terminated by either Party by giving not less than thirty (30) days' written notice of termination to the other Party at any time. Termination shall take effect on the day specified in the termination notice or, if no date is specified, thirty (30) days after the other Party receives the notice (the "**Termination Date**").
- 18.2 Termination will not affect existing transactions, but W1M will not execute any further transactions for the Client, unless otherwise required to facilitate distribution of the Portfolio in accordance with the Client's Instructions and in all cases at the cost of the Client. W1M will provide reasonable assistance to the Client in the event that they wish to transfer their Portfolio or cash to third parties.
- 18.3 Termination shall not affect any outstanding or accrued fees, charges, costs and expenses owing to W1M up to the Termination Date or any such date as agreed between W1M and the Client. W1M may charge the Client an amount equal to:
- (a) the relevant proportion of the management fee, corresponding to that part of the period ending on a Valuation Date by reference to which fees are payable, which has expired when the Client Agreement is terminated;

- (b) any additional expenses which W1M necessarily incurs in terminating the Client Agreement; and
- (c) any losses necessarily realised in settling or concluding outstanding obligations.

19. Insolvency or Incapacity of Client

- 19.1 The Incapacity or Insolvency of a Client shall not of itself terminate W1M's appointment, but W1M may in its discretion treat its receipt of actual notice of such events as if it were a written notice of termination from the Client.

20. Authorised Persons and Standing Instructions

- 20.1 The Client acknowledges that W1M will be entitled to act on any Instruction given to them by an Authorised Person, as previously notified to W1M (or an Associate), without further enquiry as to the authenticity, genuineness, authority or identity of the person giving or claiming to give such Instructions. The Client shall be responsible for Instructions given by an Authorised Person.
- 20.2 The Client is able to revoke or amend an Authorised Person's authority to act on their behalf or to appoint another Authorised Person to submit Instructions on their behalf by notifying W1M in writing. This includes, but is not limited to, standing orders and Authorised Person instructions. The Client acknowledges that such pre-existing instructions will continue to be honoured unless and until W1M receives formal notification of any changes or revocations from the client.

21. Joint Accounts and Trusts Accounts

- 21.1 W1M offers joint accounts and accounts for trusts. W1M shall treat the Client as joint tenants, where each person is jointly and severally liable and the actions of one person will impact all other persons connected to the

Portfolio and references to the Client herein shall be construed accordingly.

- 21.2 W1M shall, unless and until otherwise directed in writing by all persons connected with the joint Portfolio, be entitled to act on the Instructions of any person connected to the Portfolio and shall not in any way whatsoever be liable to the others for doing so. Such Instructions may include (but are not limited to) instructions to deal, transfer money or give notices. Any notices or other communication given to any such person shall for the purposes of these Terms be deemed to be given to all.

administering or managing the Portfolio in accordance with this Clause 23.3.

- 23.4 W1M shall only accept Instructions from a Personal Representative upon receipt of the grant of probate or letters of administration, unless W1M in its sole discretion determines otherwise.
- 23.5 The death of a Client shall not of itself terminate W1M's appointment, but W1M may, in its discretion, treat its receipt of actual notice of such an event as if it were written notice of termination of the Client Agreement from the Client. In such a case, references to the Client shall apply to the Client's Personal Representative.
- 23.6 On the death of a Client who is the holder of a joint Portfolio (being survived by any such other person), the Client Agreement will remain in force and W1M shall take such action as, in its sole discretion, it deems appropriate in respect of the Portfolio.

- 23.7 Where the Client has appointed their own Custodian in line with Clause 13.7, they acknowledge and agree that W1M is not liable for the actions taken by the Custodian following the death of a Client.

SCHEDULE 2 : Risk warnings

All forms of investment which may be undertaken by W1M on behalf of the Client for the Portfolio involve risk, including the risk of losing the entire investment. The value of investments and the income derived from them can fall as well as rise and is not guaranteed. Yields and income on investments are not guaranteed and as such may fall or rise. Changes in exchange rates may have an adverse effect on the value, price or income of an investment. Where W1M has disclosed past performance on Portfolio(s) or specific products and investments, the Client should be aware that past performance is no guarantee of future results. Any references to taxation are based on current understanding and may change. The Client should consult their investment or tax advisor if in any doubt about proceeding with any investment services provided by W1M.

The Client's attention is also specifically drawn to the following types of transactions which W1M may effect on behalf of the Client and the risks associated with such transactions.

Equity securities and shares

Ownership of an equity security represents a direct stake in the company concerned and participates fully in the economic risk of the company. The volatility of equity markets can change and cannot be assumed to follow historic trends. Equity investments can be impacted by the size of the company, seasonality or cyclical nature of income sources and geographical location. The value of equity securities can fall as well as rise.

Debt securities and fixed income funds

The value of debt investments (or "bonds") is usually less volatile than equity investments. However, in some circumstances, particularly when interest rates are volatile, the value of bonds can be uncertain. The factors likely to have an impact on the value of a bond are the perceived financial position of

the issuer along with changes to market interest rate expectations. When interest rates rise, the value of corporate debt securities is expected to fall. Bonds issued by major governments tend to be lower risk investments. Where an issuer is in financial difficulties, the risk of default on repayment obligations increases and little or no capital may be recovered. Unpaid amounts may take a significant amount of time to obtain.

Structured products

These investments are securities that provide economic exposure to a wide range of asset classes using a wrapped and structured approach. These products can exhibit potential returns that are different to that normally expected from the underlying assets. Most structured products are exposed to credit rating of the product issuer, such that repayment could be at risk if the issuer is not able to repay the sums due under the terms of the product. The return of capital invested at the end of the investment period is not guaranteed and

therefore Clients may get back less than was originally invested.

Alternative investments

Alternative investments can cover a wide range of investment products, such as:

- Hedge funds: these are investments which may employ a variety of different strategies to produce investment returns. The strategies envisaged by these hedge funds will determine the risk profile of the investment. Strategies can range from low-risk absolute return funds up to high risk or speculative funds which make use of extensive borrowing in an attempt to maximise the gain from their investment strategy.
- Private equity: these investments commonly invest in any form of equity or company that is not openly traded on a public stock exchange. The companies will therefore raise finance privately and can therefore invest in a wide range of unlisted companies, such as start-ups. Investment in these products brings about certain risks, including "lockup" periods during which investments cannot be sold, exposure to an undiversified portfolio, and significant leveraging or borrowing.
- Property funds: investments in property funds involve a number of risks, notably that property is immovable and might not be readily sold or valued independently. All property is subject to local risks which may be unique in nature caused by prevailing legal, economic, environmental or political circumstances. Returns available from property funds may also be affected by leverage and borrowing.
- Commodities-linked products: investments into commodities are often achieved either via a structured product over a commodities index or

a basket of different commodities. These investments are affected by a variety of political, economic environmental and seasonal factors. Their value can fall as well as rise. The funds will not purchase or hold commodities direct.

Alternative investments may be used to diversify investment risk within a Portfolio. Such investments may involve unique or unusual risks as a result of providing alternative sources of return. It may be difficult to liquidate or sell an investment of this type.

Units in collective investment schemes

Generally, a collective investment scheme will enable a number of investors to 'pool' their assets and have these professionally managed by an independent fund manager. W1M manages a range of collective investment schemes and the Client's Portfolio may be invested in such schemes. For more information around how W1M manages conflicts, please refer to the Conflicts of Interest Policy on www.w1m.com. There may be risks on the underlying assets held within the schemes and investors need to determine the underlying assets to ascertain the level or risk involved.

Securities subject to stabilisation

Unless agreed to the contrary, W1M may, from time to time, invest in securities on behalf of the Client where the price may have been influenced by measures to stabilize it. The Client should read the following explanation carefully. This is designed to help the Client judge whether the Client wishes its funds to be invested at all in such securities and, if the Client does, whether the Client wishes to be consulted before W1M carries out any such transaction on the Client's behalf or to authorise W1M to carry out any such transaction on its behalf without first having to consult the Client.

Stabilisation enables the market price of a security to be maintained artificially during the period when a new issue of securities is sold to the public. Stabilisation may affect not only the price of the new issue but also the price of other securities relating to it. Stabilisation is permitted in the Applicable Regulations in order to help counter the fact that, when a new issue comes onto the market for the first time, the price can sometimes drop for a time before buyers are found.

Stabilisation is carried out by a 'stabilisation manager' (normally the firm chiefly responsible for bringing a new issue to market). As long as the stabilising manager follows a strict set of rules, it is entitled to buy back securities that were previously sold to investors or allotted to institutions that

decided not to keep them. The effect of this may be to keep the price at a higher level than it would otherwise be during the period of stabilisation.

The Stabilisation Rules:

- limit the period when a stabilising manager may stabilise a new issue;
- fix the price at which the stabilising manager may stabilise (in the case of shares and warrants but not bonds); and
- require the stabilising manager to disclose that it may be stabilising but not that it is actually doing so.

The fact that a new issue or a related security is being stabilised should not be taken as any indication of the level of interest from investors, nor of the price at which they are prepared to buy the securities.

Investment Denominated in Foreign Currencies

If a liability of the Client in one currency is to be matched by an asset in a different currency, or if W1M provides services under these Terms relating to an investment denominated in a foreign currency, a movement in exchange rates may have an effect which may be either favourable or unfavourable on the investment, which effect may be separate from the gain or loss otherwise experienced on such investment.

Investments not readily realisable

W1M may purchase investments and other assets for the Portfolio which are not readily realisable, which means that there is no recognised market for them. It may therefore be difficult to deal in such investments or to obtain reliable information about their value or the extent of the risks to which they are exposed.

Regulated and unregulated pooled investments

Pooled investments may be regulated or unregulated. Unregulated funds may be established in other jurisdictions (for example, so-called "offshore jurisdictions") where the standards of regulation and in particular the standards of regulatory supervision may be less stringent than those in the United Kingdom or European Union. An unregulated collective investment scheme is described in this way because it is not subject to the same restrictions as a regulated scheme (for example, in terms of their investment powers, and how they are managed and operated). Although the schemes themselves may not be authorised, recognised or regulated, persons providing

services to the scheme (e.g., the manager or custodian) may be subject to regulation. UCITS funds are examples of regulated funds. Unregulated funds are typically subject to restrictions on promotion and/or sale; for example, they may be limited to institutional or very sophisticated investors. This means that the market for unregulated funds may be more limited and it may be more difficult to sell such an investment.

SCHEDULE 3 : Individual savings account (“isa”) terms and conditions

In accordance with HMRC requirements, the ISA will generally

SCHEDULE 5 Custody Terms (United Kingdom) – SEI investments (Europe) Ltd Terms and Conditions for custody services (“UK Custody Terms”)

Please note that this Schedule 5 does not use the same defined terms set out in Schedule 1 – refer to the final page of this Schedule 5 for relevant definitions.

The Customer should carefully read the Terms together with the frequently asked questions about SEI's Custody Services which are available on SEI's Website through the following link: www.seic.com/en-gb/Important-information-notices. The Customer should refer any questions regarding these Terms to its Investment Service Provider.

1. Background

- 1.1. W1M Wealth Management Limited (the “**Investment Service Provider**”) provides investment services to you, its customers (each a “**Customer**”) and has appointed SEI Investments (Europe) Ltd (“**SEI**” / the “**Custodian**”) to provide the Custody Services (as defined below) for this purpose and on the basis that SEI will be directly responsible to each Customer for the provision of the Custody Services.
- 1.2. These Terms set out the basis on which SEI agrees to provide Custody Services to the Customer and constitutes a separate legal agreement between SEI and the Customer.
- 1.3. The table set out at 19.4 (*Interpretation and Table of Defined Expressions*) of these Terms sets out various expressions and the meaning attributable to each of them. These expressions are used with capital letters in these Terms.

2. Appointment

- 2.1. These Terms take effect between the Custodian and the Customer from when the Custodian first receives Client Assets and/or Client Money to hold on behalf of the Customer.
- 2.2. These Terms will continue to apply until terminated in accordance with Clause 18 (*Termination*).
- 2.3. The Custodian will act on instructions from the Investment Service Provider, as agent for the Customer, in providing the Custody Services under these Terms.
- 2.4. Where the consent of the Customer is required in order to provide certain services under these Terms, the Investment Service

Provider will explain the position to the Customer and obtain the necessary consent. The Customer will have provided the Investment Service Provider with such consent when signing terms of business with the Investment Service Provider.

3. Responsibilities Of The Custodian

- 3.1. The Custodian will provide the following services:
 - 3.1.1 holding all Client Assets or arranging for them to be held in safe custody;
 - 3.1.2 collecting all distributions and other entitlements arising from Client Assets and accounting for them to the Customer;
 - 3.1.3 settling transactions to acquire or dispose of Client Assets on the instructions of the Investment Service Provider and using funds provided for this purpose by the Customer;
 - 3.1.4 informing the Customer or the Investment Service Provider of Corporate Actions and other events affecting Client Assets;
 - 3.1.5 holding money on behalf of the Customer where required for the purpose of providing the Custody Services; and
 - 3.1.6 upon termination of these Terms, transferring all Client Assets and Client Money held on behalf of the Customer to the Customer or as the Customer or the Investment Service Provider may direct

together referred to as (the “**Custody Services**”).

- 3.2. The Custody Services **will not** include advising on or managing investments or executing transactions, which is the responsibility of the Investment Service Provider.
- 3.3. The Custodian will use reasonable care and due diligence in providing the Custody

Services.

- 3.4. The Custodian will comply with the FCA Rules that apply to it as holder of Client Assets and Client Money. Nothing in these Terms will override the Custodian's obligations under the FCA Rules.
- 3.5. The Customer acknowledges that for some Securities, as determined in accordance with the Securities' prospectus, the Custodian may make payment of subscription monies in advance of the settlement date.
- 3.6. The Custodian will settle all transactions undertaken by it subject to the Custodian holding or receiving all necessary documents or funds and will do so on such basis as is good market practice for the type of Securities and market concerned and normally on the basis of "delivery-versus-payment" ("DVP"). In respect of transactions that the Custodian settles for the Customer on a DVP basis through a commercial settlement system, the Custodian will use the DVP exemption in the FCA Rules excluding cash and securities from Client Money and Client Asset respectively. In the event that the Custodian is not able to rely on the DVP exemption (for example, because settlement has not occurred by the close of business on the third business day following payment or delivery by the Customer), the Custodian will treat cash and Securities held for the Customer in accordance with the FCA Rules. The Custodian's obligation to account to the Customer for any Securities or the proceeds of sale of any Securities will be conditional upon receipt by the Custodian of the relevant documents or sale proceeds.

4 Responsibilities Of The Customer

The Customer is responsible for ensuring that when Client Assets are held in the custody or under the control of the Custodian and subject to Clauses 4.1.1, 4.1.2 and 4.1.3, the Client Assets are free from any rights in favour of any third party (including, but not limited to, rights of security granted to a creditor or beneficial interests under a trust), except for:

- 4.1.1 rights in favour of the Custodian or any third party engaged by the Custodian under these Terms;
- 4.1.2 rights of beneficiaries under an express trust that are notified to and acknowledged by the Custodian; and
- 4.1.3 rights in favour of a third party arising in the normal course of a transaction settled by the Custodian pursuant to these Terms.
- 4.2 The Customer will pay or will reimburse the Custodian for any liability to a third party which the Custodian may suffer or incur as a result of a breach of these Terms by the Customer, except if and to the extent that the relevant expenses or liabilities arise from any negligence or breach of duty of these Terms by the Custodian.
- 4.3 The Customer shall deliver to the Investment Service Provider or the Custodian (as the case may be) any necessary documentation to ensure the timely processing of Securities transactions as the Custodian may reasonably require.
- 4.4 The payment of cash or release or delivery of Securities shall be made upon receipt of instructions where relevant and in accordance with the customary or established practices and procedures in the relevant jurisdiction or market or, in the case of a sale or purchase made through a Securities System, in accordance with the rule, regulation and conditions governing the operation of the Securities System.
- 4.5 The Custodian and its sub-custodians shall not be obliged to accept Securities under these Terms which, in the opinion of the Custodian, are not in good deliverable form. The Custodian is not responsible for checking or otherwise responsible for the title or entitlement to, or validity or genuineness (including good deliverable form) of, any property or evidence of title to property, received by the Custodian under these Terms.

5 Holding And Registration Of Investments

- 5.1 The Customer authorises the Custodian to arrange for title to Client Assets to be registered or recorded in the name of either: (i) the Customer; (ii) a nominee company controlled by

either the Custodian, an affiliated company of the Custodian or a third party with whom financial instruments are deposited (in each case the Custodian acting as bare trustee for each Customer); or (iii) the Custodian or one or more sub-custodians chosen by it (if the Custodian or sub-custodian is prevented from registering or recording legal title as set out in (i) or (ii) above).

- 5.2 Client Assets may be held in omnibus accounts and be registered collectively in the same name for all customers and therefore the individual entitlements of each Customer may not be identifiable by separate certificates or other physical documents of title. **If the Custodian or sub-custodian were to become insolvent, any shortfall in Securities so registered would be shared *pro rata* among all of the Custodian's customers which are impacted.**
- 5.3 Where instructed to do so, or where the Custodian considers it is in the best interest of the Customer to do so, the Custodian may arrange for a third party to provide certain Custody Services in relation to certain Client Assets. Where the third party is an Affiliate of the Custodian, the Custodian will be responsible for the custody service provided by that Affiliate to the same extent as if the service had been provided by the Custodian itself.
- 5.4 Where any custody services are provided by a third party which is not an Affiliate of the Custodian, the Custodian will exercise reasonable care and due diligence in selecting them and monitoring their performance, but the Custodian does not guarantee proper performance by the third party and will not itself be responsible if that third party fails to meet its obligations. This means that if the third party defaults or becomes insolvent, the Customer may lose some or all of their assets and will not necessarily be entitled to compensation from the Custodian. Including, in circumstances where it is not possible under the relevant national law and the registration under **Clause 5.1** (*Holding and Registration of Investments*) to identify the Client Assets from the proprietary assets of the third party firm.
- 5.5 Where the Custodian provides Custody Services in respect of Securities which are held by a third party in, or which are subject to the law or market practice of, a country outside the United Kingdom, the settlement, legal and regulatory requirements in the relevant overseas jurisdiction may be different from those in the United Kingdom. This may result in different practices for the separate identification of Securities.
- 5.6 The Custodian is covered by the Financial Services Compensation Scheme ("FSCS"). This scheme provides compensation to customers if an authorised financial services firm cannot meet its obligations. If the Custodian is declared in default or unable to pay what it owes to the Customer, the Customer may be entitled to compensation under the FSCS. For investment-related claims, the maximum amount currently covered is £85,000, although this limit may change from time to time.

6 Right Of Lien Sale, Set Off And Unclaimed Assets

- 6.1 The Customer hereby grants the Custodian a security interest in, and a lien on, any Client Assets and/or Client Money to facilitate the Custodian in the clearing and settlement of transactions and for debts related to the provision of the Custody Services under these Terms. The Customer further agrees to grant a security interest to third parties over Client Assets in order to recover debts where the debts relate to: (i) the Customer; and/or (ii) the provision of a service by that third party to the Customer.

6.2 The Custodian may divest itself of unclaimed Client Assets (“**Unclaimed Client Assets**”) in accordance with the requirements as set out in the FCA Rules. Under the FCA Rules, the Custodian may either: (a) liquidate, at market value, an Unclaimed Client Asset it holds and pay away the proceeds; or (b) pay away an Unclaimed Client Asset it holds, in either case, to a registered charity of its choice or as otherwise provided under the FCA Rules, provided: (i) it has held that Unclaimed Client Asset for at least twelve (12) years; (ii) in the twelve (12) years preceding the divestment of that Unclaimed Client Asset it has not received instructions relating to any Client Asset from or on behalf of the Customer concerned; and (iii) it has taken reasonable steps to trace the Customer concerned to return the Unclaimed Client Asset. Any such action taken by the Custodian does not stop the Customer from making a claim in the future in accordance with the FCA Rules.

7 **Client Money**

7.1 Subject to the following paragraphs, the Custodian will hold Client Money in one or more of its client bank accounts with one or more deposit takers in accordance with the FCA Rules. **The Custodian will pay credit interest to the Customer on the Customer’s balances in accordance with the rate of interest as stated on the following website [Interest Rates for Custody Terms and Conditions \(Onshore – SIEL\) \(seic.com\)](https://www.seic.com), from time to time. Customer acknowledges and agrees that where the rate of interest received by the Custodian is more than what is paid to Customer, the Custodian may retain such balance.**

7.2 The Custodian does not allow Customer cash accounts to be overdrawn, in the event an account is overdrawn the Custodian may, at its discretion, charge an overdraft rate at the appropriate Central Bank official interest rate on such overdrawn amount.

7.3 In the event of a charge being incurred by the Custodian for holding a cash balance (a negative interest rate) in its client bank accounts, the Custodian reserves the right to pass such charges to the Customer.

7.4 The Custodian may hold Client Money with a third-party deposit taker in an **unbreakable term deposit account** up to the maximum allowed by the FCA Rules. Client Money may be placed in accounts on a combination of either variable and/or fixed terms, for example, instant access accounts and unbreakable term deposit accounts for such terms permitted by the FCA Rules. The combination of variable and/or fixed term accounts will be balanced by the Custodian to deliver an appropriate combination of interest, diversification of risk and timely access to cash at the Customer level. Client Money held in unbreakable term deposit accounts are subject to certain risks. Generally, and in the event of the Custodian’s or any sub-custodian’s insolvency, if Client Money is held in an unbreakable term deposit account, the Custodian may not be able to withdraw all Client Money from the deposit taker in a single withdrawal and such Client Money may only be withdrawn upon maturity of the term deposit. Notwithstanding the foregoing, the Custodian will return Client Money to the Customer as soon as possible.

7.5 **In the event of an insolvency of a third party deposit taker, any shortfall in Client Money will be pooled with that of other clients of the deposit taker and then distributed proportionately.** Any subsequent shortfall may be covered by the FSCS for bank deposits subject to the applicable limits and individual circumstances for each Customer. Further information is available from the FSCS directly; for FSCS contact information please refer to Clause 5.6 (*Holding and Registration of Investments*) above.

7.6 The Custodian will hold qualifying money market funds that the Customer or the Investment Service Provider elects to purchase as safe custody assets and not as Client Money. As a result, the qualifying money market funds will not be held in accordance with the client money rules but instead in accordance with the custody rules as set out by the FCA.

7.7 The Custodian may allow another person such as an exchange, a clearing house or an intermediate broker, to hold or control Client Money, but only

where this is required for the purpose of a transaction for the Customer through or with that person or to meet an obligation of the Customer to provide collateral for a transaction. **In the event of a shortfall following any default of such person, the Customer may not receive their full entitlement and may share in that shortfall *pro rata*.** The Investment Service Provider will inform the Customer and provide further details if this is to occur.

- 7.8 The Custodian may arrange for Client Money to be held in a bank outside the United Kingdom. Where it does so, the rights of the Customer in relation to that money will differ from those applicable under the United Kingdom regulatory regime which, for the avoidance of doubt, includes the FSCS.
- 7.9 Where the Customer has instructed the Custodian to pay charges to the Investment Service Provider on the Customer's behalf, the Custodian may use Client Money for this purpose.
- 7.10 To the extent that an amount is due from the Customer to the Custodian or a third party provider under Clause 6 (*Right of Lien Sale, Set Off and Unclaimed Assets*) in connection with these Terms, the Custodian may use Client Money or Client Assets to pay that amount.
- 7.11 In the event that the Custodian determines that there is a legal and/or regulatory requirement for it to rebate to a Customer any commission received, then the rebate will become due and payable to the Customer at such time as is determined by the Custodian in accordance with its internal procedures.
- 7.12 Where the Custodian transfers any part of the Custody Services it provides to a Customer to another appropriately authorised institution chosen by the Custodian, the Customer authorises the Custodian to transfer any Client Money held for that Customer to that appropriately authorised institution provided the transferee agrees to hold the Client Money: (i) in accordance with the FCA Rules; or (ii) the equivalent rules and regulations applicable to that authorised institution in a jurisdiction outside of the United Kingdom.
- 7.13 The Custodian may cease to treat any unclaimed balance allocated to an individual Customer as Client Money in accordance with the requirements as set out in the FCA Rules ("**Unclaimed Client Money**"). The Custodian may pay away, to a registered charity of its choice or as otherwise provided under the FCA Rules, any Unclaimed Client Money balance and if it does so the released balance will cease to be Client Money provided: (i) the Custodian has held the balance of the Unclaimed Client Money for at least six (6) years following the last movement on the Customer's account (disregarding any payment or receipt of interest, charges or similar items); and (ii) the Custodian has taken reasonable steps to trace the Customer concerned to return the Unclaimed Client Money. Any such action taken by the Custodian does not stop the Customer from making a claim in the future in accordance with the FCA Rules.

8 Fractional Assets

- 8.1 Client Money and Client Assets are held in a pooled (mixed) account with cash and investments held by the Custodian or sub-custodian for other customers. These pooled accounts may be affected by a Corporate Action. Pursuant to any Corporate Action, the Custodian or sub-custodian may need to allocate the resulting entitlements (if any) (the "**Aggregate Entitlements**") among a number of customers and will do so in accordance with what it considers is a fair and equitable manner in relation to each customer's entitlement.
- 8.2 Where the Custodian receives: (i) fractional Client Money balances of less than 1p (one pence) (or a non GBP equivalent); and/or (ii) fractional Client Asset balances of less than £1.00 (one pound sterling) (or a non GBP equivalent), which the Custodian is unable to allocate to a Customer's account, the Customer agrees that the Custodian will not be required to treat such balance as Client Money or Client Assets (as applicable) and such balance will be retained by the Custodian or paid to a registered charity of the Custodian's choice.

9 Contractual Settlement

- 9.1 The Custodian may make available a provisional credit of settlement, maturity or redemption cash proceeds, or income and dividends on a contractual settlement basis or predetermined income basis, as the case may be (“**Contractual Settlement**”), in markets and for Securities deemed appropriate for that practice by the Custodian.
- 9.2 Where Contractual Settlement is extended on a sale, redemption or maturity event, the corresponding Securities shall be debited from the Investment Service Provider’s Securities account and held by the Custodian or sub-custodian pending actual settlement. Securities purchased will not be available for use until actual settlement between the Investment Service Provider and Custodian or sub-custodian.
- 9.3 The Custodian reserves the right to reverse any such credit at any time before actual receipt of the item associated with the credit when the Custodian determines in its reasonable judgement that actual receipt may not be received for that item. Where it is possible, the Custodian will give advance notice of the reversal (but it shall not be obliged to do so where the Custodian determines that it needs to act sooner or where the Custodian’s ability to recover may be compromised). Where reversal of previously advanced cash is required, the Custodian may charge the appropriate Client Money account for the expense of providing funds associated with the advance pursuant to Clause 7.2 (*Client Money*) and Clause 7.3 (*Client Money*) of these Terms.
- 9.4 Any provisional credits provided under these Terms which cannot be reversed in accordance with the preceding clauses, shall be considered as a cash advance for the purposes of Clause 6 (*Right of Lien Sale, Set Off and Unclaimed Assets*) of these Terms.

10 Custody Fees

- 10.1 The Customer will not have to pay any fees to the Custodian for the provision of the Custody Services provided the Customer continues to use the Custody Services through the Investment

Service Provider. The Custodian will receive fees and be reimbursed for expenses as agreed between the Custodian and the Investment Service Provider.

11 Reporting & Valuation/Pricing

- 11.1 The Custodian will provide each Customer with periodic statements of their Client Assets and Client Money held by the Custodian at least once per quarter in accordance with the FCA Rules.
- 11.2 To the extent that the Custodian provides values and pricing information in relation to Securities, the Custodian may use generally recognised pricing services including from brokers, dealers, market makers and the Investment Service Provider. The Custodian shall not be liable for, and makes no assurance or warranties in relation to, the accuracy or completeness of such value or information.

12 Limits On Liability

 - c. loss of goodwill, loss of reputation or loss of opportunity; or

 - b. any failure by the Custodian or an Affiliate to account for assets or cash to the person entitled to them under these Terms or otherwise to

comply with its obligations under the FCA Rules, unless any such failure by the Custodian or an Affiliate is the result of the acts or omissions of Customer or the Investment Service Provider.

- 12.3 Each of the Custodian and the Customer will take reasonable steps to mitigate any loss for which the other may be liable under these Terms.
- 12.4 Neither the Custodian nor the Customer will be liable under or in connection with these Terms for any breach of these Terms resulting from any reason or circumstances beyond the reasonable control of the Custodian or, as the case may be, the Customer.

SCHEDULE 6 Custody terms (offshore) – sei investments – Guernsey Limited Terms and Conditions for Guernsey Custody Services (“terms”)

Please note that this Schedule 6 does not use the same defined terms set out in Schedule 1 – refer to the final page of this Schedule 6 for relevant definitions.

1. **Background**

- 1.1 W1M Wealth Management Limited (the “**Client**”) provides investment services to you, its customers (each a “**Customer**”); and has, as your agent, appointed SEI Investments - Guernsey Limited (“**SEI Guernsey**”), a company incorporated in Guernsey with registration number 54847 to provide dealing and custody services for this purpose, on the basis that SEI Guernsey will be directly responsible to each Customer for the custody services.
- 1.2 These Terms set out the basis on which SEI Guernsey agrees to provide custody services to the Customers, and constitute a separate legal agreement between SEI Guernsey and each Customer.
- 1.3 Paragraph 18 at the end of these Terms sets out various expressions used with special meanings in these Terms and the meaning attributable to each of them. These expressions are used with capital letters in these Terms.

2. **Appointment**

- 2.1 These Terms take effect between SEI Guernsey and a particular Customer from the point when SEI Guernsey first receives Customer Assets and/or Customer Money to hold on behalf of that Customer. In the event that Customer is a trustee of a trust, SEI Guernsey will treat the trustee(s) as the Customer and not any beneficiary of the trust.
- 2.2 These Terms will continue to apply in relation to a particular Customer until terminated in accordance with paragraph 17.
- 2.3 SEI Guernsey will act on instructions from the Client, as agent for the Customer, in providing its services under these Terms.
- 2.4 Where the consent of the Customer is required in order to provide certain services under these Terms, the Client will explain the position to the Customer and obtain the necessary consent. The Customer will have provided the Client (and SEI Guernsey where applicable) with such consent when signing terms of business with the Client (or in a signed application form to the Client, which together with the terms of business form the Customer’s client agreement

with the Client).

- 2.5 In the event that a Customer’s account is held jointly or Customer Money and/or Customer Assets are otherwise held jointly with any other person, then the Customer shall have joint and several liability to SEI Guernsey.

3. **Responsibilities of SEI Guernsey**

- 3.1 SEI Guernsey will provide the following services (the “**Services**”):
- holding all Customer Assets or arranging for them to be held in safe custody;
 - collecting all distributions and other entitlements arising on Customer Assets and accounting for them to the Customer;
 - settling transactions to acquire or dispose of Customer Assets on the instructions of the Client and using funds provided for the purpose by the Customer;
 - informing the Customer via the Client of corporate actions and other events affecting Customer Assets;
 - holding money on behalf of the Customer where required for the purpose of providing the above services; and
 - transferring all Customer Assets and money held on behalf of the Customer to the Customer (or as they or the Client may direct) on termination of the appointment pursuant to these Terms.
- 3.2 The Services will not include advising on and/or managing investments or executing transactions, which will be the responsibility of the Client.
- 3.3 SEI Guernsey will provide the Services with the level of skill, care and diligence that would be reasonably expected of suppliers of services similar to the Services in Guernsey.
- 3.4 SEI Guernsey will comply with the Guernsey COB Rules that apply to it as holder of Customer Assets and Customer Money. Nothing in these Terms will override its obligations under the

Guernsey COB Rules.

4. Responsibilities of The Customer

4.1 The Customer is responsible for ensuring that each Customer Asset is, at all times when it is held in the custody or under the control of SEI Guernsey, free from any rights in favour of any third party (including but not limited to rights of security granted to a creditor or beneficial interests under a trust), except for:

- a. rights in favour of SEI Guernsey, any third party engaged by SEI Guernsey under these Terms, or the Client;
- b. rights of beneficiaries under an express trust that are notified to and acknowledged by SEI Guernsey; and
- c. rights in favour of a third party arising in the normal course of a transaction settled by SEI Guernsey pursuant to these Terms.

4.2 Except where such risks are otherwise covered by the Client, the Customer will pay or will reimburse SEI Guernsey for any liability to a third party which SEI Guernsey may suffer or incur as a result of a breach of these Terms by the Customer, except if and to the extent that the relevant expenses or liabilities arise from any negligence or breach of duty by SEI Guernsey.

5. Custody of Investments

5.1 SEI Guernsey will arrange for title to Customer Assets to be registered or recorded in the name of: (i) SEI Guernsey or one or more sub-custodians chosen by it, subject to, and in accordance with, the Guernsey COB Rules or (ii) a nominee company controlled by SEI Guernsey, in each case segregated from SEI Guernsey's investments and in accordance with the Guernsey COB Rules.

5.2 Where title to investments is recorded electronically, Customer Assets may be pooled with other customers (provided that each customer's beneficial entitlement is kept separately identifiable) and therefore the individual entitlements of each customer may not be identifiable by separate certificates or other physical documents of title. In the event of a default of SEI Guernsey or any third party custodian, any shortfall will be shared pro rata among all customers whose Customer Assets are registered in this way.

5.3 Where instructed to do so, or where SEI Guernsey considers it in the best interests of the Customer to do so, SEI Guernsey may arrange for a third party to provide custody and/or settlement services in relation to certain Customer Assets. Where the third party is an Affiliate of SEI Guernsey, SEI Guernsey will be responsible for the service provided by the third party to the same extent as if the service had been provided by SEI Guernsey itself.

5.4 Where services are provided by a third party which is not an Affiliate of SEI Guernsey, SEI Guernsey will exercise reasonable care, skill and due diligence in selecting and appointing them and monitoring their performance, but does not guarantee proper performance by the third party and will not itself be responsible if the third party fails to meet its obligations. This means that if the third party defaults or becomes insolvent, the Customer may lose some or all of their assets and will not necessarily be entitled to compensation from SEI Guernsey. The Client will inform the Customer and provide further details if a third party is to be used in this way.

5.5 Where SEI Guernsey provides services in respect of securities which are held by a third party in, or which are subject to the law or market practice of, a jurisdiction outside Guernsey, the settlement, legal and regulatory requirements in the relevant overseas jurisdiction may be different from those in Guernsey and there may be different practices for the separate identification of securities.

5.6 Subject to any local legislation to the contrary in respect of any jurisdiction as it relates to the underlying investments, documents of title to Customer Assets will be held by SEI Guernsey as custodian for the Customer or otherwise in accordance with instructions. SEI Guernsey will ensure that, where Customer Assets are held in uncertificated form or are transferable by book entry, evidence of title will be recorded so that investments belonging to the Customer are separately identifiable from Customer Assets held for SEI Guernsey or other SEI group companies.

5.7 In the ordinary course of business, no amounts will be due from the Customer to SEI Guernsey. However, in the event of the Client no longer being a client of SEI Guernsey and an amount is due from the Customer to SEI Guernsey under or in connection with these Terms, SEI Guernsey may suspend transactions in

Customer Assets which it holds for that Customer and where SEI Guernsey considers it necessary to do so in order to protect its own interests, SEI Guernsey may sell some or all of those Customer Assets and apply the proceeds to pay the outstanding amount.

- 5.8 The Client will be responsible for advising the Customer of the applicable investment risk and shall make any such disclosures as required by the Guernsey COB Rules.
- 5.9 The Customers have assessed and accepted all applicable investment risks, including but not limited to material Country Risk and Sovereign Risks and accepted responsibility for their occurrence and such investment risk.

6. Client Money

- 6.1 Subject to the following paragraphs, SEI Guernsey will hold Customer Money in one or more client bank accounts with one or more Approved Banks in accordance with the Guernsey COB Rules. SEI Guernsey will credit interest on that money monthly at the rate and basis which SEI Guernsey will notify from time to time (in a separate disclosure document). Customer acknowledges and agrees that where the rate of interest received by SEI Guernsey is more than what is credited to Customer, SEI Guernsey may retain such balance.
- 6.2 Where Customer Money is required for the purpose of settling transactions it will be held in a separate bank account on which no interest will be paid. Any Customer Money which is not required for this purpose will be transferred to a client bank account under the previous paragraph.
- 6.3 In the event of a failure of a third party Approved Bank, Customer Money will be pooled with other client money of the Approved Bank and then distributed proportionately.
- 6.4 SEI Guernsey may allow another person such as an exchange, a clearing house or an intermediate broker, to hold Customer Money, but only where this is required for the purpose of a transaction for the Customer through or with that person or to meet an obligation of the Customer to provide collateral for a transaction.
